Service of Alberta T.B. Assn.

Hospital Patients Will Be Given T.B. Test

The patients entering Vulcan Municipal Hospital, Vulcan, will in future be given a tuberculin test for discovery of tuberculosis. It was announced today by hospital officials.

This service is provided free by the Alberta Tuberculosis Association, financed by the annual Christmas Seal sale, and the hospital is cooperating by administering the tests and keeping the records, and also by undertaking to give a chest X-ray to all the positive reactors, at a cost of only \$2.00 to the patient.

The tuberculin test does not indicate that a person has tuberculosis. It merely shows whether or not he has ever picked up even a slight infection. Most people who react to the tuberculin test never develop tuberculosis. The test is given in an extremely simple and convenient way, namely by a small patch very much like a bandaid, with a small square of gauze, which holds tuberculin serum. This is placed against the skin if the patient has any tuberculosis germs in his body, a small red mark will appear.

36 Alberta hospitals are now participating in this type of TB screening program, and already a number of formerly unsuspected cases of tuberculosis have been discovered by means of the X-ray examination. In addition to the tuberculosis found, this examination frequently uncovers other non-tuberculous but equally serious conditions.

Richard Clements, Alston Pioneer, Dies At Age 74

Richard A. Clements, pioneer resident of the Alston district and member of the County of Vulcan council, died in Vulcan hospital on April 5 following an illness of some months. He was 74 years of age.

Born and raised in Bruce County, Ont., Mr. Clements and his wife moved to Alberta in 1910 and bought land in the Alston district south-west of Vulcan, residing there since that time.

He was a member of the council of Clear Lake Municipality for 14 years and had been a member

RICHARD A. CLEMENTS

of the County of Vulcan council since the formation of the County in 1951.

On Dec. 17 last, Mr. and Mrs. Clements marked their 50th wedding anniversary. Mr. Clements suffered a stroke a few days before the golden wedding anniversary and had been in poor health since that time.

Funeral services at the Vulcan United Church on Wednesday, April 8, were conducted by Hon. Rev. Peter Dawson of Champion, and burial was made in the Vulcan cemetery.

Pall bearers were Walter Harris, Guy Voisey, James Carlson, O. E. Sommers, Wilfred Callaghan and Edward Beingsner. Honorary pall bearers were Mr. Clements' fellow-members of the County Council: J. E. Carlson, C. W. Loose, J. M. McKay, Donald McNeven, Jack Deltz, Marshall Willard, Donald Smith and Allan McLean, and Secretary D. D. McQueen.

Government statisticians report that \$1,500,000 was collected in 1951 as the result of special and anti-dumping duties on textiles.

Hundreds Attend United Church Easter Services

The hundreds of people who worshipped the Easter season at the United Church were not disappointed. With beautiful music and prayerful meditation the Rev. J. S. Clarke brought the story of our Lord's sacrificial love of man kind to the crowds of worshipers. He was assisted by a special choir which have worked hard for months to present John Stainer's Crucifixion as their contribution to the religious meditation. Mrs. Almond assisted on the organ.

The Easter meditation services began on Wednesday evening when the choir rendered the first presentation of the Crucifixion. The auditorium of the church was crowded to capacity for this service. This marked the culmination of months of effort for the choir. The tireless effort of the leader, Rev. Clarke, and every member of the choir was rewarded by the enthusiastic praise of those who listened to Stainer's beautiful, religious masterpiece.

This was also the occasion for the members of the church, and friends of Mr. and Mrs. J. S. Clarke to present them with a surprise token of the high esteem with which they are held. Max Morrison made the presentation after telling the audience how much the church appreciated the unselfish efforts of both Mr. Clarke and his wife in bringing the church building to its new beauty, as well as leading the choir in its efforts, and building up the membership of the church itself. After they received the purse containing more than a thousand dollars, the recipients were speechless for a moment, but Mrs. Clarke recovered first to thank the donors, while her husband recovered his breath and his thoughts. Mr. Clarke was sincere and earnest as he expressed his appreciation for the token of love from his friends. It is understood that the Clarke family intend to use the money for visiting Mr. Clarke's aged father in England this summer.

The Young Couples Club of the church served a delicious lunch for the choir and friends afterward in the church annex. Nearly 50 people enjoyed a pleasant hour. Good Friday was also a busy day for the United Church Choir. At 11 a.m. the Crucifixion was again rendered to a full auditorium of the church. In the evening several carloads of choir members and friends journeyed to Blackie to present the Crucifixion to a large audience in the Blackie Auditorium. As in the local church the beautiful music was well appreciated. It is understood that these musical efforts of the choir resulted in considerable assistance toward paying for the choir gowns.

The Easter Morning service at Vulcan United Church was probably the largest ever held in this town. The seating capacity was taxed to the limit. The service had to be postponed several minutes while seats were found for the large crowd. The minister, the choir, the Board, and 32 new members of the Church, all contributed to make the occasion one to be long remembered. After receiving the new members into the Church fellowship by the pastor and members of the Board, lovely choir music, and meditation over the Easter story, hundreds partook of the sacrament to make this Easter service one to be long remembered.

The whole choir are to be commended for their fine work in the musical contribution to the services at this season. Special mention should be given to Mrs. Almond, organist, whose music inspired the choir to make such a grand contribution. She was the recipient of a lovely bouquet of roses, presented to her by Art Jones on behalf of the members. The solo parts in the Cantata were taken by Art Jones, Harold Ulmer, Einar Kumlin, Stuart Campbell, Mrs. A. Schrag, Mrs. Lillian Lancaster and William Shields. Music lovers will be looking forward to the next musical contribution of this choir early in the summer.

The population of Ontario is 11 persons per square mile.

Housing Project Gets Under Way

Excavation work got underway this week for the houses which will be constructed in Block 16 by Paramount Construction of Lethbridge under the C.M.H.C. housing plan.

The company has secured the eleven lots in Block 16 and the five lots in Block "E" for the housing project and already 13 residents have paid their deposits to have new homes constructed under this plan. Plans for four different sizes of homes have been approved by N.H.A.

It is understood that two or three custom built houses will also be constructed on the 75 ft. lots next to the Elks Memorial Park.

Champion Pioneer Dies In Montana

Mr. and Mrs. H. B. Ulrich of Calgary were recent Vulcan visitors on their return from attending the funeral of Mr. Ulrich's brother, Edward, of Livingston, Mont., who passed away on March 28 after a lengthy illness.

Edward Ulrich was an oldtimer of the Champion district. He home steaded two miles east of Champion in 1905 and moved to Havre, Mont. in 1908. In 1910 he was married to Anna Doy, who predeceased him in 1924.

He leaves to mourn, two sons, Arthur at Livingston, Mont., and Alton at Portland, Ore.; two sisters, Tillie Michel at Spokane and Bertha Zinn, of Salem, Ore., and two brothers, Sam and Herman, both of Calgary.

Institute Hears Conference Report

The regular meeting of Thigh Hill W.I. was held at the home of Mrs. R. Lundgren, Thursday, April 2, with 13 members and one visitor present. Roll call was answered with "What I Would Like to Wear to the Easter Parade."

One minutes silence was observed in tribute to the late Dowager Queen Mary.

A \$10 donation was voted to the Salvation Army. Mrs. F. Gottenberg was named to represent the branch at the provincial conference in Edmonton in May.

Mrs. R. J. Marshall agreed to go on the program committee with Mrs. Schmidt, to replace Mrs. Sinn, who has left the district.

Mrs. E. Erickson presented a fine and much appreciated paper on Agriculture.

A full and comprehensive report on the recent District conference, held at Lethbridge, was given by Mrs. Mainland, who was the delegate from the branch.

The tea raffle was won by Mrs. Ina Ohler, and a birthday cake was cut in honor of Mrs. W. S. Hill and Mrs. Tom Houlton.

Assisting the hostess in serving a delicious lunch was Mrs. Roy Deal.

A contest on Children's Diseases was won by Mrs. Edith Gottenberg. The next meeting will be held at the home of Mrs. Edith Gottenberg May 7.

Awarded Gas Company Trophy

Vulcan Scouts Win Chuckwagon Race, Lethbridge Ice Stampede

At the annual Scout-Cub Ice Stampede held in the Lethbridge Arena last Saturday, the Vulcan No. 1 Scout Troop took top honors in the chuckwagon race event with an average time in afternoon and evening heats of 52 seconds. They won the Canadian Western Natural Gas Company challenge trophy and were awarded individual crests and flashlights for their efforts.

The chuck wagon races, with boxlike sleds for wagons, human horses and skating outriders, brought many thrills to the large crowd attending the ice stampede. Members of the winging Vulcan team were Bobby Allen, driver; Warner and Roper Roebuck and Dick and Ken Jesse, team; Wayne Shortt, David Saxby and Cody Whiteside, outriders; and Gary Banks, anchor man. The team was coached by A. G. Scott, president of the Vulcan Group Committee.

The Gas Company trophy was won last year by the 12th Calgary Troop. Scouts and Cubs from Lethbridge, Picture Butte, Barnwell, Chagnessy, Staveland, Noble, Tiber, Vulcan, Medicine Hat,

Fish Ponds Offer Important Food Source

A carp goes into a basket for moving to a breeding pond in Indonesia, where fish culture in ponds is highly developed. A school of fish culture techniques will soon open a six-week long session at Djakarta in Indonesia for students from the Indo-Pacific area. The U.N. Food and Agriculture Organization sponsors the training course to open new food possibilities for people of hungry lands.

J. E. Carlson Re-elected Chairman

Members of County Committees Are Named

At the first meeting of the 1953 County Council of the County of Vulcan No. 2 held in the County office on Saturday last, J. E. Carlson was unanimously chosen as Chairman of the Council for the ensuing year. This is Mr. Carlson's third term as chairman, having been elected in the formation of the County at the beginning of the year 1951. Jack Deltz, Counsellor for Division Six was chosen as Deputy Chairman and D. D. McQueen was re-appointed Secretary.

Bruce Alder, Returning Officer, read the report of the result of the nomination meeting and the election for Counsellors this year. The report showed that Mr. Carlson, Division Two, was re-elected by acclamation for three years; C. W. Loose, Division Four, elected by acclamation for a term of three years; and Donald A. McNeven re-elected Counsellor for Division Nine at the poll which was held on March 21st for a term of three years.

The Council appointed Messrs. Williams & Tanner, Chartered Accountants of 201 B.C. Trust Bldg., Lethbridge, auditors to the County for the ensuing year. The motion was also passed appointing P. M. Patterson assessor.

The Council decided to hold regular County Council meetings on the Friday on the second full week of each month. The County

School Committee will be the same personnel as last year. That is, J. M. McKay, Chairman, and Committee members Mr. Carlson, Mr. Smith, Mr. Deltz, H. W. Matlock from the Town of Vulcan, D. H. Russell from the Village of Carmangay and Leonard Williams from the Village of Arrowwood.

The Municipal Committee was enlarged to four members in place of the three-member committee which functioned in the year 1951 and 1952. The Public Works Committee personnel is the same as last year with the addition of Marshall Willard; C. W. Loose was re-appointed chairman with the Committee members Allan McLean, Donald McNeven and Mr. Willard.

A motion was passed to recommend to the Minister of Health that Donald A. McNeven be re-appointed member of the Board of the Foothills Full Time Health Unit for the ensuing year to represent the portion of the County on the Board.

A motion was passed to set up the Agricultural Board for the ensuing year, which is the same as last year: Donald B. Smith, Chairman, Marshall Willard, Counsellor C. R. Walker of Vulcan, K. R. Miller of Carmangay and Hugh Michael, District Agriculturist, Clareholm.

By-Law No. 40, a by-law to authorize the assessment and taxation of personal property in the County was read a third time, and the by-law was killed, having failed to pass its third reading.

Councillors passed a by-law to authorize the purchase of a one-ton Mercury Truck and a half-ton Chevrolet truck.

Latest Fashions Shown At Tea

The annual Easter Fashion Show and Tea sponsored by the St. Aidan's Anglican Guild held in the Legion hall, Saturday, March 28, drew a capacity crowd. The hall and tea tables were decorated with sprayed tree branches and a profusion of beautiful spring flowers. Easter favors were also used to decorate the tables.

Some 65 spring ensembles, ranging from logs for the tiny tots, through to teen-ager apparel and charming outfits for the young matron and her older sister were shown. Lovely suits, spring coats and dresses, all in the latest style and fashioned of rich and colorful fabrics from the Betty Ann Shop were modelled. Gay spring hats from Queenie's Ladies Wear completed the stunning outfits. As each model appeared Mrs. Mae Todd, as a gracious commentator, pointed out the lovely details of each coat, suit, dress and hat, while Mrs. Stewart Campbell at

1953 Rate is 50 Mills

Rising Costs Force Increase In County Tax Rate

Vulcan County No. 2 tax rate for 1953 will be 50 mills in the major part of the County and 35 mills in the area comprising the Little Bow Hospital District. The total is made up of 19 mills for County and Public Works purposes, 27 mills for schools, and four mills for hospital. In addition to this five mills will be levied in the Little Bow Hospital area to cover the doctor contract operating in that area.

Decision to increase the mill rate this year was reached at the council meeting held on April 4. With the continuing pyramiding of costs of all the county services councillors were faced with the situation of raising more funds to maintain the road and school program demanded by the rate-payers.

During the past two years, since the County was formed in 1951, local government taxes in the Vulcan area had been kept to a minimum and lower than is consistent with sound financing. The 1951 rate was 36 mills and the 1952 rate was 39 mills. Current revenues in these years were approximately \$50,000 short of meeting the expenditures. The policy was to maintain the low rate to earn the Provincial Government tax reduction subsidy in effect at that time. Changes in the Provincial Government grant regulations permits the increase in mill rates while still obtaining the grant.

Councillors pointed out that even

with the increased rate this year local taxes in the Vulcan area will compare favorably with taxes in the province generally.

The School rate was increased from 10 to 27 mills. A comparison of costs in 1951 and 1953 as shown by the detailed budget will show that schools will cost approximately \$105,000 more in 1953. School grants have increased \$27,000, making the net increase \$78,000. During 1951 and 1952 school revenue have increased from \$135,000 in 1951 to \$180,000 in 1953, and van driver services have increased by \$20,000 in the same period. These two increase alone are responsible for the 8 mill increase.

Public Works expenditures will be maintained at \$225,000, which it is hoped will provide sufficient funds to carry out the County's road program of road improvement. Details of the road program will be announced in detail in a later issue.

Councillors were of the opinion that the 1953 mill rate can be maintained in 1954 even with the added debt service commitments for the new Vulcan school. The 1953 debt service payments amount to nearly 4 mills.

The County's 1953 budget is given below in detail.

Grain Handlers Strike

The strike of grain handlers at the west coast drags on, and now the grain handlers at the eastern lakehead elevators are threatening strike action.

Intervention by the government may not be too desirable, but the wheat grower and the businesses which depend on the wheat grower are starting to feel the pinch. In an area such as this, no delivery of wheat means no circulation of cash.

Youth Takes the Initiative

There have been growing misgivings among statisticians that the average Canadian farmer is getting too old, the assumption being that youth is fleeing the farm for better opportunities in urban centres.

Recent events, however, have shown that farm life can hold a rosy future for the rural youngster. There is the case of 19-year-old Ronald Leonhardt of Drumheller, Alta. Last April he planted three acres of Marquis wheat on his father's farm and harvested 50 bushels per acre in the fall. He entered a sampling at the Royal Winter Fair in Toronto—and won the world's wheat champion.

Last year another Alberta youth—Howard Roepel—was world's wheat king and in 1950 the crown was won by 13-year-old Ricky Sharp of the same province. At the Royal this year a youngster from Ridgetown, Ont.—Daniel Clunis—was awarded the world's championship in soybeans.

The fact that these boys nosed out veteran growers for the world's highest honors indicates there are rich opportunities for youth on the farm. This was realized, of course, by the early sponsors of the growing junior farmer movement—the 4-H Club. This organization was formed to give farm youth (boys and girls) a better understanding of farming as a way of life and farming as a business. Today there are some 60,000 young farmers belonging to 4-H Clubs across Canada. Among these are young Leonhardt, Roepel and Sharp.

An organization which can help mould three successive world wheat kings certainly merits the praise of every Canadian.

Your Government

EDMONTON: Amid a shower of shredded paper, thrown from the press gallery, the first session of the 12th Alberta legislature ended last Thursday. The 61-member house sat on 31 days, during six weeks, passed 127 bills and approved the government's budget of more than \$174,000,000 in record-breaking expenditures.

Hon. J. J. Bowlen, lieutenant-governor, wearing a dark Homburg when he walked into the legislative chamber, gave royal assent to the proceedings of the past weeks and commended the members for "earnest devotion to public duty." Then through Provincial Secretary C. E. Gerhart, he proclaimed the session prorogued.

The most hotly debated issue of the session, the government's new liquor act received third and final reading on the day of proroguing. Early in the week, the house used most of an evening session and part of the following afternoon in debating the bill. At the evening session the members sat until midnight.

The disappointment of some members that the new act does not provide for more liberal drinking regulations, was shown in the request of Liberal Leader J. Harper Prowse for an English "pub" system and the question by Calgary's Liberal member Hugh John MacDonald as to why there should be a connection between sleeping and drinking accommodation, instead of between drinking and eating facilities.

A Liberal amendment, that would have allowed the Liquor Control Board to "experiment" with variations in liquor legislation, was defeated by the house, then Premier Manning contended that it would mean pressure groups would badger the board for changes.

Attorney-General Lucien Maynard, replying to Mr. MacDonald, said the hotels need the added revenue from beer sales to help maintain good standards, while

The attorney-general had the dubious distinction of being the only government member to propose an amendment which was defeated. He suggested allowing sales of beer for consumption off hotel premises, from the hotel rotunda, instead of from the beer parlor.

William Masson (SC, Wainwright) was opposed. He said: "Let them buy it in the beer parlor. It's a dirty business anyway."

Contending that any change in the proposed act would be an improvement, R. Earl Ansley (Ind. SC, Leduc) declared further that more liquor vendors should be opened in the province to bring a halt to widespread bootlegging.

The new act, which allows the liquor board to require food in beer parlors as one of the major changes from the old act, takes effect July 1.

A motion by N. W. Dushenski (CCF, Willingdon) to call a conference to discuss the establishment of marketing boards, similar to the Canadian Wheat Board, for all other farm products was defeated. He contended that federal control is necessary. In opposing the motion Premier Manning said the federal government feels the matter is of "provincial" concern. Leduc's Mr. Ansley opposed it as "socialistic" while Liberal member Mr. MacDonald said it was impractical and Liberal Leader Prowse felt it would serve no useful purpose at present.

An amendment to the Municipal District Act gives the municipal council full control of any money collected for road work. At present taxes and government grants for road work are distributed to each electoral district according to tax assessment. Municipal Affairs Minister Gerhart said often one centre receives more money than it needs in relation to the needs of other districts in the municipality.

TEXACO MOTOR OIL

INSULATED AGAINST HEAT

...AND REGULAR PRICED!

Hard-working farm machinery is up against a real heat problem—with crankcase temperatures, for example, up around 240°. That's why many farmers turn to Texaco Motor Oil—insulated against heat!

Texaco Motor Oil is insulated against heat by an exclusive Texaco process. It stands up under high engine-operating temperatures and resists the formation of varnish-like deposits that steal power and waste gasoline.

Texaco Motor Oil in tractor, truck and car engines gives you more power, greater fuel economy and fewer repairs. And remember—you get lower operating costs along with this better engine performance, because Texaco Motor Oil is regular-priced!

The regular monthly meeting of the Good Will Service Club was held on Thursday evening, March 26 at the home of Mrs. Ralph Chapman with Mrs. G. Maronda taking the chair. Sixteen members answered the roll call by bringing an Easter Novelty for their Sunshine Friend. There were three visitors present, one of whom later joined the Club. During the business meeting \$10 was donated to each of the three worthy causes, Red Cross, Cancer Society and Crippled Children's Fund. It was decided to sponsor a Chicken Supper in the Fall. Mrs. K. Sokvitne volunteered to act as hostess for the April meeting. A farewell gift was presented to Mrs. G. Hacking by Mrs. G. Maronda on behalf of the club members, all of whom are very sorry to lose a good friend and member of the club. The nickel draw was won by Mrs. G. Zambaldi. The Easter gifts were distributed to Sunshine friends. The meeting was adjourned and two contests were held. A very lovely lunch was served by the hostess and members of the social committee.

The February meeting of the Birthday Club was attended by 12 members at the home of Mrs.

Henry Thompson. To answer the roll call each member contributed one cent per inch of waist measurement. The sum of \$4.36 was collected and this was increased to \$10 to be donated to the Crippled Children's Fund. A shower was planned in honor of Mr. and Mrs. Albert Johnson. Mrs. Booth gave an interesting picture talk of their holiday in California. Mrs. Honess was the lucky winner of the raffle. The hostess served a delicious lunch assisted by the lunch committee.

The March meeting was held at the home of Mrs. A. McAllister with Mrs. Soper in the chair.

Twelve members answered the roll call with an Irish Joke. A donation was made to the Red Cross. Miss D. Carrington won the raffle. The hostess, ably assisted by her three daughters and the lunch committee, served a delicious lunch.

NOTICE OF INTENTION TO UNDERTAKE A
SEWERAGE COLLECTION AND DISPOSAL SYSTEM

TAKE NOTICE that the Council of the Village of Carmangay intends to undertake a Sewerage Collection and Disposal System for the said Village.

The location of the said sewerage system and the streets where the said sewerage system is to be located are as follows:—

ON	FROM	TO
Disposal Plant (all inclusive)	Pacific Ave.	Septic Tank
Out fall Sewer	Elmore St.	Carmar St.
Pacific Ave.	Pacific Ave.	Grand Ave.
Carmar St.	Truman St.	Whitney St.

Grand Ave.	Whitney St.	Armstrong St.
Grand Ave.	Armstrong St.	Whitney St.
Whitney St.	Grand Ave.	Alberta Ave.
Whitney St.	Grand Ave.	Pacific Ave.
Armstrong St.	Grand Ave.	Alberta Ave.
Carmar St.	Grand Ave.	Alberta Ave.
Carmar St.	Grand Ave.	Pacific Ave.
Elmore St.	Grand Ave.	Alberta Ave.
Elmore St.	Alberta Ave.	Grand Ave.

It is estimated that the total cost of the said sewerage system will be \$29,500.00 and it is the intention of the Council to apply to the Provincial Treasurer of the Province of Alberta for a loan of the said sum of \$29,500.00 under the provisions of the Self Liquidating Projects Act.

It is proposed that the sum of \$12,753.00 of the total estimated cost of \$29,500.00 be charged and paid by way of a special frontage assessment for local improvements on all property fronting or abutting on or benefitting from the said work as provided by Part X of the Town and Village Act 1952, all of which sum of \$12,753.00 shall be the owner's portion of the cost. The said special assessment and interest thereon shall be imposed at the rate of twenty (20) cents per frontage foot annually for a period of twenty (20) years, the probable life of the said sewerage system, to raise an estimated annual sum of \$730.00.

TAKE NOTICE that unless the majority of the owners of the lands that may be assessed, representing at least one-half in value thereof as aforesaid, petition the Council against it within two weeks after the 17th day of April 1953, the said sewerage system may be undertaken and a special frontage assessment made as hereinbefore set forth.

DATED at Carmangay, Alberta, this 6th day of April, 1953.

F. J. WHITMARSH,
Secretary-Treasurer of the
Village of Carmangay.

W. A.

The W.A. held their regular meeting on Thursday, April 2 in the church; 16 members and visitors were present.

The meeting was opened with a W.A. hymn, prayer and creed.

After a very short business section the balance of the program was in charge of the Missionary Committee, this being the first of our missionary meetings.

Mrs. Rose Miller gave the devotional and Mrs. Craig, our Christian Citizenship convenor, read an article on "How the church came to Alberta."

A piano solo by Mrs. Hilda Lyckman and a solo by Mrs. Lenora Baldwin were enjoyed by all.

After the meeting a social half-hour was enjoyed. Coffee, ice cream and cookies were served by Mrs. Thompson and Mrs. Greene.

The annual Mothers' Day program will be held in the church on Friday afternoon, May 8 at 2:30 p.m. All ladies of the district are invited to attend.

West Club

Eight ladies of the West Club met at the home of Mrs. Carrie Davis on Monday March 30. Plans were made for a children's party to be held during Easter holidays at Burwash Hall.

Scrap books of old Xmas cards were made. A lovely lunch was served by the hostess.

Farewell Party

A farewell party was held at Burwash hall on Monday, March 30 for Mr. and Mrs. John Hedin. The evening was spent playing contests and cards.

Mr. and Mrs. Hedin were presented with a Featherweight Iron and a purse of money from their friends and neighbors. Lunch was served.

Felicity Club

Fifteen members and guests met at the home of Mrs. Marj. Bjornson on Wednesday, April 1. The afternoon was spent quilting. Mrs. Wise won the raffle. The next meeting will be held at the home of Mrs. Doreen Holmes. A dainty lunch was served.

Card Party

Approximately 40 adults and

children met at the home of Mr. and Mrs. Ken Bjornson on Thursday evening to play whist. Six tables were played. Winners were Mrs. Doreen Holmes and Alvie Bjornson and consolation went to Mrs. Barbara Hildebrandt and Mac Baldwin. Mr. Roberts won the door prize. A tasty lunch was served.

Thank You

I wish to thank all my friends who sent me flowers, cards and gifts while I was in the Galt hospital.

—June Burke.

Thank You

We wish to express our hearty thanks to all our friends of Carmangay West for the lovely gifts and the enjoyable farewell party held at Burwash hall Monday evening, March 30.

—John and Lot Hedin.

Choose a JOHN DEERE Surflex Disk Tiller

Over hilly, uneven fields or on flat land, the snake-like flexibility of John Deere Surflex Disk Tillers assures uniform penetration on all tillage jobs. Preparing seedbeds, mulching stubble, or summer-fallowing, you'll do excellent work at higher speeds over the full width of cut without gouging or ridging.

John Deere Surflex Disk Tillers work with

all tractors. They're available in 8-, 12-, 16-, and 20-foot sizes with manual or remote hydraulic cylinder lift and depth control. The 8-foot Surflex is the basic tiller. By adding 4-foot sections you can have a 12-, 16-, or 20-foot Surflex which can be reduced back again to meet available power or varying field conditions. See us soon for complete information.

Mr. and Mrs. A. Barrie and children accompanied by Mrs. Lawrence of Okotoks were recent Sunday guests at the Frank Little home.

A very pleasant evening was enjoyed at the home of Mr. and Mrs. Allan McLean, when a number of friends from Carmangay and Champion gathered in honor of Mr. and Mrs. Melville McLean.

Halley O. Smith is enjoying a visit with his son Jimmie, who arrived in town last week. It has been quite a number of years since Jimmie left Champion, and of course, we all see a great change in him.

Miss Rosalind Lackey is convalescing at home after undergoing a tonsillectomy in the Carmangay hospital last week.

Mr. and Mrs. Donald Clifford spent the Easter weekend at the home of Mr. and Mrs. A. E. Howerton.

Carl Shauerman spent several days in town at the home of his parents, Mr. and Mrs. John Shauerman.

A small grass fire in the subdivision caused a great deal of excitement last Saturday. The Fire Brigade and truck moved with commendable speed and efficiency.

Miss Gloria Fraser who is attending the University of Alberta, Calgary Branch, spent the Easter weekend at her home.

Henry Mills spent several days in Calgary, receiving medical treatment.

Jess Matlock has returned home after taking several months' instruction at the Institute of Technology in Calgary.

Mr. and Mrs. J. V. Christensen have moved to their home in the Vulcan district. Mr. and Mrs. J. G. Steeves have moved into the house recently occupied by them.

Eddie Barry who is attending the University of Alberta at Edmonton, spent the Easter week end with his parents, Mr. and Mrs. Tim Barry.

Mr. and Mrs. Jack Taylor and Laurel of Okotoks spent the Easter weekend visiting friends and relatives in the Carmangay and Champion districts.

Charles Leback of Calgary was a visitor in town last week.

Mrs. Rachel Taylor and Joyce and Mr. Bowers all of Calgary

visited with relatives and friends during the Easter weekend.

While Mrs. Sande was absent, due to the death of her father, Fred Alder, Mrs. George Smith taught the Grade One class.

Mr. and Mrs. Claus Narum of Brooks accompanied by their son and daughter-in-law and Mr. and Mrs. Ralph Narum were Sunday dinner guests at the home of Mrs. Narum's brother-in-law and sister, Mr. and Mrs. Sam Beingsnesser.

Sympathy of the town and district is extended to Mrs. Clements on the passing of her husband in the Vulcan hospital on Sunday morning, April 5.

Miss Lita Bergemeister spent the Easter weekend at the home of her parents, Mr. and Mrs. Henry Hilz.

Sunday guests at the home of Mr. and Mrs. George Hartung were J. Hartung, Sr., D. Rupp and Mr. and Mrs. J. Esslinger, all of Calgary and Mr. and Mrs. J. Sherman of Vulcan.

Mr. and Mrs. Dave Rupp and Mr. and Mrs. F. Hildebrandt of Calgary visited relatives in the district on Good Friday.

Three rinks from Champion attended the Bonspiel in Bellevue during the holiday weekend. Bob Stewart's rink which included Walter and Ernest Rhodes and Bert Pride won two games and lost two. Mervyn Smith's rink won two and lost two. This rink was made up of Mervyn Smith, Sev Pasoli, Roger Jensen and Keith Groves. The J. H. Buchan rink won one and lost three. The Buchan rink: Tino Pasoli, Bob Marshman, Lorne Arnold and J. H. Buchan.

Mrs. Con Hartung won the prize, an electric razor, in the nail guessing contest at Erickson's Hardware last week.

Mr. and Mrs. Phillip Schmidt and Inge were Easter Sunday guests at the home of Mr. and Mrs. Adam Schmidt.

Oil is a Gamble too!

Farmers and oilmen have a lot in common. A farmer sows a crop, but what he harvests is up to nature.

By the same token, there are many hazards peculiar to the oil business. In spite of scientific improvements and techniques applied to the business of searching for oil, the only way to determine the presence of oil is by drilling. And drilling a wildcat well is one of the most risky ventures in modern industry. Pushing a hole thousands of feet into the earth has cost as much as a million and a half dollars—yet more often than not, wildcat wells turn out dry. Since 1946, for example, the odds against a wildcat well finding a new oil field have been 22 to 1 in Western Canada.

Because oilmen took the gamble—and are still taking it—everybody benefits. Across Western Canada, oil discoveries have brought increased government revenues, payments to farmers for surface use, new employment, and the lowest petroleum product prices in the country.

District News

MIL0

The Easter season with all its beauty and gaiety is upon us once more. Good Friday and Easter Sunday that hold such deep religious significance are again passed and the holidays which are looked forward to by both teacher and students are now in full swing. It seems as if when the Easter season arrives that truly spring is close by. I say this although it is snowing great big flakes outside at this very minute but surely they can't last too long or do too much damage at this time of year. The spring run off is almost over and the roads are again being repaired where the water ran over them and caused holes. The grasses and weeds are beginning to show tinges of green and the gophers are pretty sitting up just asking to be shot while you take a good old fashioned walk. Yes spring can't be too far off in spite of the snow that is now falling during winter's last fling.

As can be expected during these series of holidays, a number of people from the district went on short vacations and had people visiting them for the same.

Mr. and Mrs. Harold Phillips and family went to Cowley to visit with friends.

Mr. and Mrs. Bill Black and family went to Lacombe to visit with Mrs. Black's parents, Mr. and Mrs. Saunders. Carol and Joy stayed with their grandparents for the holiday week.

Don Koob went home to Milford, Sask., to spend his holidays. Miss Mary Johnson went to the coast in B.C. to visit with friends there.

Mr. and Mrs. Wilf Bittorf and family went to Calgary to visit with relatives of Mr. Bittorf.

Miss Dorothy Clements is spending the remainder of her holidays with her parents and relatives in Milo.

Mrs. Etta Brinker and children went to Standard where they visited with the former's parents, Mr. and Mrs. Dankworth.

Mr. and Mrs. Joe Clements and daughters of Calgary together with Grandma Howel of High River and Mrs. Coates of Royalties and the rest of the family from the local district were guests at the home of Mr. and Mrs. Bill Clements over the weekend.

The Beckner family also had something of a reunion on Sunday when 27 of the clan met at the home of Mr. and Mrs. Tom Beckner. All were present except Mr. and Mrs. Ray Jones of Cranbrook.

Grandma Beckner is now spending some time in the district visiting with her family and friends. Here is another curling report and surely the last one for this year. The team made up of Harold Thomaner, Helen Thompson, Jimmy Prentice and Lucy Hughes that entered the mixed bonspiel in Calgary came home with two prizes. They won first in the third event and got wrist watches and fourth in the fourth event and got pyrex frigs. sets. Aubrey and Phyllis Gore who were playing with the Simpsons of Bassano also won a prize, theirs being first in the second event and the prize being a rug. The other team entered from this district and composed of Mr. and Mrs. Con Peterson and Mr. and Mrs. Ivan Winch weren't lucky enough to get in on the prize but they got in on the fun any way.

Last Sunday the Canadian Legion had a one day bonspiel and a team made up of Don McCord, Smoky Jones, Neil Dumka and Lawrence Smith were entered. No results are known.

Mrs. Wallace Hall was confined in the Vulcan hospital last week for several days with a bad case of the flu. The same sickness was the cause of little Judy Hellevang to spend several days in hospital. Raymond Fernley got a bad wrench last week when his shoulder somehow became entangled in the belt driven by the power take off on the truck. It could have been so much more serious than it was so very easily.

Little Terry Heather had a close call last week also. She and her puppy started out all on their own to visit with Terry's grandparents, Mr. and Mrs. George Heather who live up the road from the Heather Jr's. As Grandpa and Grandma weren't home the little girl and her dog started home again. The first thing that Hap and Ethel knew the pup was scratching at the door and when they opened it they found that the dog was dripping wet. Knowing how the dog loathed water they grew alarmed and started to look for Terry. They could see her coming down the road and she too was dripping wet. By the time she reached the house she was nearly frozen. Later they had her show them where she got all wet and she led them to a place in front of Bob Deltz place where the spring water had been dammed up by a fill. The little girl and her dog had been play-

ing on the ice and it had broken under them, plunging them into the icy water. It could be seen where Terry had finally scrambled up on the bank. At the deepest part the water was several feet deep and Terry and her dog were lucky indeed to have fallen in just where they did and not farther down.

The United Ladies Aid held their regular meeting last week in the rooms at the back of the church. Mrs. Clarence Umscheid was presiding in the chair. Next month in accordance with a newly devised scheme, there will be three hostesses, Mrs. Bell Armstrong, Mrs. Anderson and Mrs. May Bertrand. It will be for them to decide among themselves whose home the ladies will meet in and they will have all arrangements to make. Each month three names will be drawn to take over these duties.

The annual Red Cross drive is now over and the books are being turned to Mr. Glaze. The amount asked for the Milo district was set at four hundred dollars and already with only ten of the books handed in a total of three hundred and twenty one dollars has been received. But don't let that get your spirits up too high because as the Red Cross drive ended the Cancer drive started. To many people this seems like the last straw, and there is really very little that can be said about it, but before you say no to the canvasser stop and think of what those benefits paid for by the drive can mean to you and yours. Also realize that the canvasser doesn't like asking you for a donation any more than you like giving one, so be polite at least.

Jimmy Fleming, Gordon Winch and Roy Hostettler left last week for Saskatoon, Sask. where the Thode construction company left their equipment. Last fall when they could no longer work. The boys plan on getting jobs with this company for the coming year.

Both Leona and Sylvia Jones have been confined to bed with the flu.

The local bridge club wound up its annual session last week and decided the winners of the season. It would appear that the best players must be the Bob Bertrands and Carsons because all the prizes went their way. I don't know bridge lingo so if this isn't said just right I hope you get the general idea anyway. Mr. and Mrs. Bob Bertrand got first for high score and Mr. and Mrs. Chas. Carson came second. For the slams or bangs or whatever you call them, just the reverse was true with the Carsons coming first and the Bertrands second.

Of all the sad words of tongue or pen the saddest are these, "It might have been."

BERRYWATER

Easter Sunday visitors at the home of Mr. and Mrs. Lorne Healy were Mr. and Mrs. Clarence Mote and family of Ensign and Miss Dorothy Brett of Vulcan.

Miss Anne Oldfield has returned to Calgary where she is attending University after spending the holidays with her parents, Mr. and Mrs. Lynn Oldfield.

Mr. and Mrs. Lee Richardson were weekend guests of the latter's parents, Mr. and Mrs. J. M. Doyle at Champion.

Mr. and Mrs. Leslie Richardson spent several days in Calgary last week. While in the city they were pleased to meet Mrs. Ralph McKinnon, a past resident of the district, whom the report is well and fine.

Mr. and Mrs. Lloyd Richardson had as their guests on Easter Sunday their son-in-law and daughter, Mr. and Mrs. Cecil Sheeple of Calgary.

The regular monthly meeting of the Berrywater FUA and FWUA for March was held April 1 at the home of Mr. and Mrs. Archie Oldfield.

The meeting being postponed a week owing to a large sale in the district. There was a good turn out of members at each meeting. The FWUA will continue their drive for clothes for Korea and would like to co-operate with the Unitarian Service of Calgary in concentrating on collecting at this time all children's clothes and shoes with at least six months wear in them.

This is a special effort to supply

needy war orphans. Would donors please contact Mrs. T. Webber or Mrs. Olive Douglass.

Mrs. Edith Smith will be a delegate for the local to the adult leadership class being held at Olds. The local will also sponsor Norma Adams, junior director for district 12 as their candidate for junior FUA Stampede Queen.

The two locals are sponsoring a talk by Bruce Elles of Habbata. Bruce was the Neufeld Scholarship winner for 1952 and will show pictures and talk on his study of agriculture in England and Scotland. This will be held at the Berrywater Community Centre April 9 commencing at 8 p.m. Lunch will be served by the ladies.

Will the members please note the next meeting of the locals will take the form of an evening meeting to be held April 22 at the home of Mr. and Mrs. H. Douglass.

MOSSLEIGH

Mossleigh 4-H Club News

The Mossleigh 4-H club have been holding regular meetings every two weeks the last meeting was held at the home of Joyce Christie with 15 members present. The evening started with a business meeting, plans were made for the spring achievement day. Meals up to date is the project taken this winter, each meeting a new dish has been made by two of the girls, and later served for lunch. This has proved to be a very interesting and profitable project and has been enjoyed by everyone.

The club has received word that they have a new home economist, Miss Popoff and we are all looking forward to meeting her.

A leaders' course for gardening will be held in Olds on April 8 and 9. Mrs. Leslie and Mrs. Hurl will represent our club. The next meeting will be held at the home of Pauline Androssoff on April 14.

Young Couple Will Reside in Vulcan

Reid - Hagg

A very colorful wedding was solemnized at the Vulcan United Church at 4 o'clock on April 4th, when Frances Mary, youngest daughter of Mr. and Mrs. Alex Reid of Ensign, was united in marriage with Stanley Hagg, son of Mrs. B. Hagg of Majorville.

Rev. John Clarke performed the ceremony at which the bride was given in marriage by her father.

The bride was attired in a floor length white satin gown with soft folds of nylon net, forming a lovely full skirt, with lily point sleeves.

Her illusion net veil was full length and held in place by a beautiful beaded headress.

The bride's bouquet was of deep Her only jewelry was pearl earrings and necklace, a gift of the groom.

Nora Wald, the bridesmaid, wore a floor length gown of yellow taffeta and yellow net with mauve accessories, carried a nosegay of yellow roses and daffodils. Her only jewelry was rings, a gift of the bride.

The groomsmen was a brother of the groom, Mr. Alex Hagg of Majorville. The ushers were Mr. R. H. Howerton and Mr. George Loybourne.

Little Paul Wald was the ring bearer and was dressed in a little sailor suit.

The bride's mother chose for the occasion a grey tailored suit and wore a corsage of red roses.

The groom's mother chose for the occasion a black crepe dress and wore a corsage of pink carnations.

During the signing of the register Mr. Cecil Warden sang "Because" assisted by Mrs. N. K. Budd at the organ.

A small reception was held at the home of the bride's parents.

The bride's table was very attractive, centered with a beautiful three-tiered wedding cake, flanked with vases of roses and daffodils.

The toast was proposed by Mr. R. H. Nelson and responded to by the groom.

The bride and groom left for a short honeymoon and the young couple will reside in Vulcan.

Coronation Theme in Color

FOR ELKS MEMORIAL PARK THIS YEAR

With the coming of a Spring Carnival this Friday and Saturday by Vulcan Lodge No. 121, B.P.O.E., we would like to say a few words re our Park.

As we have stated before through the columns of the Advocate, it costs quite a lot of money and effort to keep up such a beauty spot. The cost of operating last year was \$1467.96 and owing to the unfortunate choice of dates for last fall's Carnival we did not realize enough for this year's operation.

Except for \$100 generously donated by the Ladies Auxiliary of the Canadian Legion, other donations were nil.

We are going to try a Spring Carnival to augment our funds for carrying on this year, and would ask everyone to rally around to support this, either by your attendance or by your donations.

We are hoping to carry out by color in the flower beds, etc., something to tie in with the Coronation.

To all those who helped in any way we extend our thanks and bespeak again the same co-operation this year.
